

PRINCIPAL'S MESSAGE

Dear Parents and Caregivers

It was great to welcome back Ms Rogers and Mrs Farley this week.

They both had a wonderful time travelling in Canada and actually, to their surprise and delight, ended up on the same cruise through the Inside Passage heading up to Alaska. This was not planned and totally coincidental. Who would have thought?

It has been extremely pleasant to observe the very positive interaction and thoughtfulness of many senior students with younger students in the playground. They are quite vigilant in noticing others with issues and not only look after their well-being but often join with them in games.

That is quite special.

This term again looks to be very busy, not only within classrooms but also involving many extra curricula activities, so fasten your seatbelts and hang on tight.

Regards

Peter George
