WE ARE JUST **BUBBLING**

Kindergarten parents and students
ON MONDAY!

UNSW ASSESSMENTS

Well done to all of our Year 3-6 students who sat the incredibly difficult University of NSW English, Mathematics and Science Assessments a couple of months ago.

Their results, against the very best students in Australasia, were very pleasing considering the difficulty of the tests.

In particular we congratulate the following:

The children have all enjoyed learning the Wiradjuri words for our native animals, family members, and counting. They have found it interesting to listen to the many different Dreamtime stories.
