Principal's Message

Dear Parents and Caregivers

In the new year Mr George will be returning to begin the new school year, I would like to take this opportunity to thank all of you for the amazing support and dedication you have shown to the school and to me over that past 3 terms. Thank you for teaching me the important values of this school community. Your input and support have helped create an incredible school that truly reflects the values of the community and challenges our students to "Always Try" to do their best. I am so fortunate to have had the opportunity to lead Wongarbon Public School for a short time and I will always be grateful for the relationships that I have built along the way. Wongarbon Public School is a unique place and has shaped the kind of leader I hope to be in the future.

I want you all to know that it is the students of Wongarbon Public School that give me a reason to be excited to come to school every day and I want them all to know that they are so lucky to have such wonderful parents, caring teachers and a community that supports them. I wish Mr George all the best and who knows maybe one day I will be able to return.
