4 July 2019 ~ Term 2 Week 10

Principal's Message

Dear Parents and Caregivers

Thankyou to the parents and carers that attended the parent teacher interviews they were invaluable to the communication of information about your children's progress at school.

Drop off and Pick-up

In the morning please kiss and drop your child at the boundary fences so that we can begin to instil independence and organisation skills for all students including Kindergarten. This is an important transition so that they are able to learn the routines of handing in notes, saying goodbye and coping with organising their own belongings.

In the afternoon the pick up point is the back gate. All children assemble at the back gate for safety reasons and this is where they are dismissed from school. Please park at the back of the school on Boberah St to pick children up. This is to ensure their safety at pick up time. We ask that you support this by following these routines so that we are able to ensure the safety of all students.

Staff Development Day

School Development Day will be held Monday 22nd July focusing on Literacy and Maths instruction for classroom
