28 June 2019 ~ Term 2 Week 9

Principal's Message

Dear Parents and Caregivers

As we near the end of term I would like to thank the wonderful staff at Wongarbron Public School. As the end of semester encroaches the administrative and accountability tasks increase for everyone. Our staff truly care about the students and know what it takes to run a successful school environment. Long hours, hard work, passion and dedication.

Environmental Education

Students will engage in Environmental Education on Wednesday next week. Students discover the function and abundance of packaging in our lives, and learn about how much of this packaging ends up in our local landfill. By identifying the types of packaging their homes and schools generate, students then explore ways to reduce the packaging they consume, lessening their waste to landfill and their impact on our precious local environment. We are looking forward to this wonderful programme coming to our school.

P&C

Thankyou to those families that have tirelessly sold chocolates as part of the P&C fundraising efforts. Teamwork makes the dream work and this is truly said of the parents and carers that have contributed to this wonderful fundraising efforts.

Thankyou to those parents and carers that came to the P&C meeting this week. It is always appreciated the time and effort that goes into the fundraising

organisation of the school. Please if you are interested in joining the P&C please feel free to come along to our meetings next term.

Parent/Teacher Interviews

Reports will be sent home today. Please do not forget to call the school and make an appointment to meet with your child's teacher on Tuesday 2nd July.

SRC Fundraiser

Friday 5th July the SRC will be having a fundraiser. Pyjama day and movie for a gold coin donation. Students will be able to buy popcorn for a \$1 on the day to enjoy with their movie.
